

Class:

Lesson Title:

Phonemic Awareness – Beginning Sounds

Objective:

To develop an awareness of the “sounds of English” (phonemes) and practice picking out the beginning sound in simple words.

Activities:

- Teacher demo – iPad plugged into interactive smartboard, or small groups. Oz Phonics 1 App: Exercise 1 - Sound Match.
- Students to play sound matching game.
- Teacher to play oral game. The word ‘bed’ starts with the sound /b/, what other words start with a /b/ ?
- Teacher to play oral game asking class to guess the name of someone in the class who starts with the sound /s/. “I’m thinking of a name and the name starts with the sound /t/. Whose name is it?” There might be multiple answers in a classroom.
- Oz Phonics 1 App: Exercise 2 – Odd-One-out beginning sound. Teacher can demonstrate in small groups or using interactive whiteboard to reflect iPad screen.
